Lat 2.07 or Long

July 22d 1853

Sunday 22d

Commences with strong breezes boats chasing the whales at 1 PM doubled reefed the topsails. at 1½ 2d and 3d mates each struck a whale and at 2½ PM took them alongside. Mr Easton continued after the whales alone and at 3 PM struck a whale which rolled his boat over. we lost sight of his boat from the ship. ran the ship as near to the position where the boat was last seen as posible but did not see her. hove the ship to at 7 PM and lay aback all night. had lanterns in different parts of the ship and a torch light which was kept burning all night. no boat being in sight at daylight cut away from the whales and made all sail to cruise for the boat. making 4 hours tacks heading SE by E and W. the weather through this day Saturday 23d was very rough and thick the day passed without seeing the boat or any trace of her. through the night made short tacks at daylight more moderate at 7 AM saw the boat of the weather beam. sent the waist boat to her assistance at 9 AM both boats came alongside with all the men alive and well the weather had been so rough that it was impoible for Mr Easton to bail his boat out until about 15 minutes before he was seen from the ship. having been gone from the ship 50 hours 40 of which he had been in the water. the mastheads were manned through the night that we lay aback and all hands aloft during the day. Latter part took up the boats and steered NE. looking for the whales

Lat 2. 20. Long 140 06

Sunday 24th

Commences with strong breezes. Making short tacks heading NE & and NW in search of our whales. saw two merchant ships. Middle and latter parts cruising for the whales. wind strong weather thick and squaly

cooper sick"
at Callao
(OVER)

arget LRT-BE4-V2

Feb. 27, 1854
at Talchuano
discharged Manuel
& Frank Sylvia, Boatsteerers
John Perry & chambers
Vance
OVER

I think the 1st Mate
is writer of this book
E. W. Easton see entries
Oct 31 & Nov. 2, all 1854

Also April 14
"caught a porpoise"

the Cooper was
Thomas Mitchell
who kept another
journal of this voyage
until Dec. 7, 1853

arget LRT-BE4-V2

at Tumbes Richard Mitchell
& Constitution
Oct. 19, 1854 took to men
for Payta

Feb. 19, 1855
Looks like they
discharged about
11 men at Talcahuano

EW. Easton must
be the Fog Keeper
he is the 1st mate
see Oct 21, Oct. 31, Nov. 21
and Oct. 16 1854

Feb 10, 1855
discharged 1 man "sick"
left Talcahuano

Dec. 3 1854
"Saw a dead pig"
Dec. 5 "Spoke the Young Hero"
(of Nantucket

Feb 21, 1855
ship sustain damage in gale, leaking
badly, broken Davit & Stove boat, etc.

try to read
Writing running
along left page edge

March 15, 1855 (in atlantic so
of Brazil)
Lat. 46.20 Long. 47-47
"Hove the tryworks overboard. one pot
broke - hove her over"

March 16, 1855
"Clean tryworks plank"

Jan. 8 1855
Man overboard

Jan. 29, 1855 found
some men not belonging
to ship

April 12, 1855
N(?) rainer sick with
Stricture
Spoke Dutchess da Orleans of Baltimore

Feb. 5, 1855 leaving
Talcahuano seem to have
acquired about 8 men

May 19th. 1855
Lat 28.10(N) Long. 63.35
"Saw sperm whales going to the SW
No boats to lower for them"

on Feb 5 & 7 1855
seem to have shipped
a couple more men
